Chace Community School Pupil Premium Strategy Statement 2024-25

This statement details Chace Community school's use of pupil premium funding for the 2024 to 2025 academic year to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Chace Community School
Number of pupils in school	971
Proportion (%) of pupil premium eligible pupils	35%
Academic year/years that our current pupil premium strategy plan covers	2024 - 2025
Date this statement was published	December 2024
Date on which it will be reviewed	November 2025
Statement authorised by	Tanya Douglas
Pupil premium lead	Carly Lynch
Governor / Trustee lead	Tracey Jenkins

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£335,475
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£335,475

Part A: Pupil Premium Strategy Plan

Statement of intent:

Our school motto is 'Excellence has no limits'. This applies to all our students irrespective of their background or the challenges they face.

Therefore our Pupil Premium Strategy aims to give all our Pupil Premium students the opportunity to excel in all aspects of school life. They key priorities we aim to address are:

- 1. Improving outcomes for all students especially those who are Pupil Premium.

 Narrow the gender and pupil premium attainment gaps.
- 2. Improving the quality of teaching and learning for all so that it is consistently good in all lessons. Promote high standards of literacy and numeracy.
- 3. Plan teaching to stretch and challenge all learners especially the most able
- 4. Improve attendance and reduce persistent absence, meeting or exceeding the national average
- 5. Improve the quality and completion of home learning, ensuring the tasks set build upon students classwork
- 6. Develop and implement an effective careers strategy to raise the aspirations of all students, especially those from disadvantaged backgrounds
- 7. Promote a culture of excellence, improving pride and community cohesion
- 8. Embed Student Leadership with all having the opportunity to express their views through the School Council and Student Voice.

We rigorously track and monitor the progress and performance of our Pupil Premium students. Underachieving students are identified and supported with appropriate interventions to get them back on track.

Reading was identified as a key issue in the last Pupil Premium review. The provision of Accelerated Reader and frequent reading assessments has enabled us to address this issue. Students without access to IT equipment at home have been identified and loaned chromebooks to help them complete their home learning.

The interventions and strategies set out in this document have been selected after referring to research from EEF and other sources. At the end of each academic year we review the effectiveness of our strategy. Interventions deemed successful, based on the data, are continued while others are replaced with more effective alternatives.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	The Pupil premium cohort arrive with lower maths and reading scores when compared to their peers
2	The attendance of students eligible for Pupil Premium is lower than that for the rest of the cohort
3	Pupil Premium students have less cultural capital than their peers. This means they would have fewer opportunities to attend the Theatre or a music concert.
	They will also have lower aspirations than their peers.
4	High Starter Pupil Premium students can fall further behind their peers at secondary school as they are less likely to access private tutoring or have specialist support available at home.
5	Parental engagement is less likely from families of Pupil Premium students
6	Behaviour issues with a small minority of our cohort

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improve outcomes for all and narrow gaps for boys, most able and disadvantaged students Supervised study and homework club for 4 nights per week to support student in completing homework	Year 11 Cohort: > 43 % 5+ English & Maths Boys: > 41% 5+ English & Maths PP: > 42% 5+ English & Maths HS: > 90% 5+ English & Maths A8 > 49.0
Plan teaching to stretch and challenge the most able	Stretch and challenge is seen in >90% of lessons This leads to improved outcomes for students, particularly the most able, boys and disadvantaged students
Ensure that all teachers follow the Behaviour Policy so that expectations of pupils are consistent in lessons and around the school.	Behaviour for learning seen in lessons is good. Incidents reduce . Number of individual teachers who are supported reduces.
Improve attendance and reduce persistent absence – to meet and exceed national average	Whole school attendance to be above 94%
Ensure all students take full advantage of enrichment opportunities in school	Provide opportunities beyond the curriculum for students to: Extend the curriculum Develop character Prepare for future success Prepare for life in modern Britain
Teach and promote high standards of literacy, reading and, numeracy	Reading records show 1 to 1 reading in line with data. Students standardised scores improve and intervention is in place where they drop in a term. TA's to be confident with delivering numeracy sessions and supporting students in lessons
Develop students' sense of belonging and character through the development of a house system and the student council	Thriving Student Council who meet regularly. Annual Head Student election.
Implement strategies to overcome the disruption to learning due to COVID 19	AfL and summative assessments used to identify gaps. Curriculum adapted to meet the needs identified and to fill these gaps. Lessons will display effective use of Afl to assess regularly.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching

Budgeted cost: £96,274.03

Activity	Evidence that supports this approach	Challenge number(s) addressed
Well planned and researched PD is provided regularly to staff to demonstrate how active participation is created (based on work of Anita Archer)	Sutton Trust report July 2015 'Pupil Premium Next Steps' recommend improved teacher training and professional development so that all	1,4
TLC communities are created by CLT and led by SLT members. Members are accountable for their own professional development on the theme of active participation due to tasks and	school leaders and classroom teachers understand how to use data and research effectively.	
activities set and monitored. 3x Inset days, 3x twilight and SB are organised into TLCs.	Centre for Excellence and Outcomes in Children and Young People's Services	
Regular T&L tips, drop in sessions with CLT, T&L Breakfasts and staff briefings focussed on T&L (active participation theme)	report – 'The quality of teaching makes the biggest difference to learning outcomes. Pedagogy matters'.	
	'Coaching teachers in specific teaching strategies significantly raises outcomes for children living in poverty'	
The profile of reading across the whole-school community will be built through Literacy The Day form time, Word of the week, Reading misconception videos, "what I am reading posters", Book clubs, parent bulletin sharing,	Literacy is key to academic success and is more important than ever for the new curriculum. (EEF, Improving Literacy in Schools, July 2019)	1
and use of rewards.	Pupils from disadvantaged backgrounds were about half a month further behind than non-disadvantaged pupils in primary and secondary reading.'(DfE Oct 2021)	
Numeracy principles re-shared and embedded through a planned series of staff briefings. Posters with principles in all classrooms. Principles to be shared and explained in staff briefings across the year. Form tutors delivering form time numeracy every week.	Pupils from disadvantaged backgrounds were about half a month further behind than non-disadvantaged pupils in primary and secondary reading.'(DfE	1
All staff and students to be involved in National Numeracy day and complete extra-curricular maths across the day	Oct 2021)	1

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £38,041

Activity	Evidence that supports this approach	Challenge number(s) addressed
Intervention sessions for targeted underachieving students at KS4 led by faculties. This will include lunch and after school study sessions, holiday revision sessions and Saturday sessions. (small groups in the first instance). Register to be created on Arbor and reports used to track attendance	"Small group tuition has an average impact of four months additional progress over the course of a year" (EEF - small group tuition)	1
One-to-One meetings with year 11 pupil premium students with negative progress and greater than 80% attendance to discuss strategies to improve their outcomes.	On average, mentoring appears to have a small positive impact on academic outcomes. The impacts of individual programmes vary. Some studies have found more positive impacts for pupils from disadvantaged backgrounds, and for non-academic outcomes such as attitudes to school, attendance and behaviour. (EEF - Mentoring)	2,3,4
Homework club for 4 nights per week to support students in completing homework.	Some pupils may not have a quiet space for home learning - it is important for schools to consider how home learning can be supported e.g through providing homework clubs for pupils" (EEF - Homework)	1,4
	"UK children from poorer homes receive significantly less help with their studies outside of school. As a result, children of high ability from low-income families are not receiving the kinds of educational opportunities they should. More support is needed to ensure these pupils are given vital additional support with their learning in order to keep up with children of similar ability from more affluent backgrounds." (Dr John Jerrim, Sutton Trust, September 2019)	1,4,5

Provide 1 to 1 instrumental tuition for	This intervention aims to improve the	
PP students who study GCSE Music	cultural capital.	
	'Children from low SES families face particular challenges in terms of parental support because of financial constraints which can impact on transport, owning an instrument, attending additional programmes. Additionally, the home environment may not be conducive for individual practice'.	3
	Progression in instrumental music making for learners from disadvantaged communities, Hallam & Burns Sept 2017 – Arts Council England.	
Fit for purpose careers programme across school - Imbedding Unifrog across the school PAL and Gatsby benchmarks evidenced Appointment of Careers Coordinator to lead on this work alongside Careers LEad Continued use of external careers advisor for Y9, 11 and 12	"High-quality careers advice can make a real difference to young people's outcomes after school, particularly those from disadvantaged homes". Sir Kevan Collins, CEO of EEF (July, 2016)	3
Provide opportunities beyond the curriculum for students to: • Extend the curriculum • Develop character • Prepare for future success • Prepare for life in modern Britain		
Accelerated Reader	Pupils from disadvantaged backgrounds were about half a month further behind than non-disadvantaged pupils in primary and secondary reading.'(DfE Oct 2021) Literacy is key to academic success and is more important than ever for the new curriculum.
